

Immediate Action Needed

New Leaf Community Markets Envirotokens Voting!

Twice a year, New Leaf Community Markets invites shoppers to select a small number of charities that will benefit from the market's Envirotokens program.

Voting is happening right now! Ballots are now in stores and voting will continue through Monday, May 27. Ask the Cashier for a voting form and give to the Cashier when complete. At the bottom of the form, under "other" write: **Friends of the Aptos Library**.

Envirotokens are given to shoppers as a reward for bringing their own reusable bag(s). Shoppers then distribute the tokens among the New Leaf-sponsored agencies.

Now, with the opening of the Aptos store – there's an important opportunity for the Friends of the Aptos Library to become an Envirotokens recipient!

Your vote now, through May 27, is needed to vote-in the next round of recipients who will receive donations July through December.

**Drop by New Leaf Community Market
and vote for Friends of the Aptos Library!**
